

Aesthetic Dermatologist at Hamdard University Hospital Pakistan

## Summary

I am UK trained Aesthetic Dermatologist with an MSc in Aesthetic Medicine from Queen Mary University London and a Diploma in Practical Dermatology from Cardiff University, UK.

Currently, I am working as consultant aesthetic dermatology at a renowned University Hospital. Here I treat a wide variety of patients with complex skin diseases and perform advanced aesthetic procedures, including the following:

- Lipo filling
- PRP therapy
- Thread lifting
- Sclero therapy
- Use of collagens
- Use of Cosmeceuticals
- Botox and filler treatment
- Facial hemangiomas treatment
- Skin biopsy
- Micro needling
- Chemical Peeling
- Collagen Synthesis stimulants
- Ablative and non-ablative lasers
- Electro cautery
- Micro dermabrasion
- Camouflage therapy
- Combined Aesthetic Techniques
  - Advance laser therapy
    - for: o Tattoo removal
    - o Hair removal
    - o Telangiectasia
    - o Pigmented lesions

I aspire to work for an international healthcare organization, where I can utilize my skills and training for treatment of complex skin care diseases and conditions.
