

Date of preparation: August 2010

A. BIOGRAPHICAL INFORMATION

1. Education:

Degrees:

BSc Zoology (Honors with Distinction), University of Calgary	1988-1992 MD,
Faculty of Medicine, University of Calgary	1992-1995
Masters of Science in Medical Education, Keck School of Medicine, University of Southern California	2001-2003

Postgraduate Training:

Family Medicine Residency, Wellesley Hospital, University of Toronto	1995-1997
---	-----------

Certifications:

Certificant, Canadian College of Family Physicians	1997-present
Board Certified, American Board of Family Practice	2001-present
Board Certified, American Board of Hospice and Palliative Medicine	2003-present

2. Employment:

Current Clinical Appointment:

Palliative Care Physician, Sunnybrook Health Sciences Centre, Toronto	2005-present
--	--------------

Current University Appointment:

Assistant Professor, Department of Family and Community Medicine, University of Toronto	2006-present
--	--------------

Previous Clinical Appointments:

Palliative Care Physician Hospice and Palliative Care Program Cedars Sinai Medical Center, Los Angeles, CA, USA	2002-2005
Palliative Care and HIV Primary Care Physician AIDS Healthcare Foundation, Los Angeles, CA, USA	1997-2002

Previous University Appointments:

Clinical Instructor, Faculty of Medicine
University of Southern California 1999-2005

3. Honours and Awards:

Awards of Distinction - National:

Employer of the Year, Canadian Association for
Co-Operative Education 2008
(employer of the 2008 National Co-op Student of the Year)

Awards of Distinction - Local (Received):

Excellence in Faculty Development, Professional Development
Awards, Department of Family and Community Medicine,
University of Toronto 2010
(recognition of my sustained contribution to the DFCEM's "Basics Program for New Faculty")

Team of the Year Award,
Sunnybrook Health Sciences Centre 2008

Innovation in Education, Postgraduate Achievement Awards Department of Family
and Community Medicine, 2007
University of Toronto
*(developed and implemented an innovative interprofessional palliative care educational experience for Postgraduate Family
Medicine trainees)*

Award for Excellence in Pain Management, 2003
Southern California Cancer Pain Initiative
(awarded to an individual/group demonstrating professional commitment to addressing the pain needs of cancer patients)

Harvey Milk Community Service Award 2000 *(awarded to
citizen of Los Angeles demonstrating outstanding commitment to the care of patients living with HIV/AIDS)*

Awards of Distinction - Local (Nominated):

Excellence in Leadership, Postgraduate Achievement Awards 2009
Department of Family and Community Medicine,
University of Toronto

Student/Trainee Awards:

University of Calgary Merit Scholarship 1990

University of Calgary Senate Scholarship 1989

4. Professional Affiliations and Activities:

Professional Associations:

Canadian Society Palliative Care Physicians	2007-present
Canadian Medical Association	2005-present
Ontario Medical Association	2005-present
Ontario Palliative Care Association	2005-present
Canadian Hospice and Palliative Care Association	2005-present
Southern California Cancer Pain Initiative	2003-2004
American Academy of Hospice and Palliative Medicine	2002-2005
California Hospice and Palliative Care Association	2002-2005
American Academy of HIV Medicine	1999-2002
HIV Primary Care Physicians of Los Angeles	1997-2002

Administrative Activities: Leadership

Provincial:

Chair, Working Group, "Ontario Postgraduate Training Programs: Palliative Care-Related Educational Experiences" sponsored by Cancer Care Ontario 2010

Chair, Working Group, "Intraspinal Techniques for Pain Management in Cancer Patients: Guideline Recommendations", Program in Evidence Based Care, Cancer Care Ontario 2006-2009

Regional:

Chair, Mapping and Projections Working Group, Toronto-Central Palliative Care Network 2009-present

Associate Head, Division of Palliative Care, Department of Family and Community Medicine University of Toronto 2008-present

Established in 2007, this academic palliative care division is the 6th of its kind in Canada and uniquely interprofessional in composition; specific leadership responsibilities include academic community building, leading the process of developing the inaugural Strategic Plan and developing a representative and sustainable organizational structure

Lead, Toronto-Central Region, Ontario Cancer Symptom Management Collaborative Cancer Care Ontario 2007-present

Cancer Care Ontario initiative aimed at improving the management of symptoms for all Ontario cancer patients; specific role involves providing leadership for large scale change management process whereby all patients of the Odette Cancer Centre have symptoms routinely screened for severity, assessed and managed appropriately; developed and implemented interprofessional clinical support algorithms ensuring maximization of practice scope for all related health care professions

Regional Co-Lead, Palliative Care, Toronto-Central,
Cancer Care Ontario 2006-present
Provincial Palliative Care Committee established in 2005; provide leadership in Toronto-Central LHIN along with counterpart from Princess Margaret Hospital (Dr. Camilla Zimmermann) for all palliative care related initiatives in Regional Cancer Program

Local:

Co-Program Head, Patient and Family Support Program,
Odette Cancer Centre, Sunnybrook Health Sciences Centre 2008-present
Innovative program sitting alongside Medical Oncology, Radiation Oncology and Surgical Oncology as part of the Cancer Program Council; comprised of all professionals providing psychosocial, supportive and palliative care to patients and families; unique dyadic model of leadership provided with Dr. Margaret Fitch RN, PhD; specific leadership responsibilities include strategic planning, inter-institutional partnership development and program evaluation

Lead, Interventional Cancer Pain Management Program,
Sunnybrook Health Sciences Centre 2007-present
Institutional partnership between Palliative Care and Interventional Anesthesia; facilitates rapid assessment and intervention for patients with complex cancer-related pain

Head, Palliative Care Consult Team,
Odette Cancer Centre, Sunnybrook Health Sciences Centre 2006-present
Team of palliative care clinicians; core value of interprofessionalism fully integrated in to all aspects of clinical care delivery and academic productivity

Associate Medical Director, Hospice and Palliative Care Program Cedars Sinai Medical
Center, Los Angeles, CA, USA 2002-2005

Medical Director, Valley Healthcare Clinic,
AIDS Healthcare Foundation, Los Angeles, CA, USA 1999-2002

Medical Director, Carl Bean House & Linn House AIDS Hospices AIDS Healthcare Foundation,
Los Angeles, CA, USA 1997-2002

Chief Family Medicine Resident, Wellesley Hospital,
Department of Family and Community Medicine University of
Toronto 1996-1997

Administrative Activities: General

Provincial:

Member, Planning Committee, "Improving the Quality of Hospice Palliative Care Across
Ontario: Strategy Development" 2008-2009
Provincial workshop planned and facilitated via partnership between the Ontario College of Family Physicians and Cancer Care Ontario; overall aim to improve the quality of care delivered in Ontario for patients with advanced incurable disease

Regional:

Member, Executive Steering Committee, Toronto Central Palliative Care Network 2008-present

Local:

Member, Hospital Ethics Committee, Sunnybrook Health Sciences Centre 2006-2008

Peer Review Activities:

International:

Peer Reviewer, Journal of Pain and Symptom Management 2008-present

Peer Reviewer, Supportive Care In Cancer 2008-present

National:

Expert Primary Reviewer, Education Modules, "Palliative and End-of-Life Care Education for Oncology Professionals In Cancer", Canadian Partnership Against Cancer 2009

Expert Primary Reviewer, "Pain Relief: A Guide for People With Cancer", Canadian Cancer Society 2009

Secondary Reviewer, Canadian Consensus Group for Constipation in Advanced Progressive Illness: National Consensus Recommendations for the Treatment of Constipation in Palliative Care 2009

Expert Review Panelist, "Fentanyl Patch Linked to Another Death in Canada", ISMP Canada Safety Bulletin November 13, 2007, Volume 7, Issue 5 2007

Other Professional Activities: Personal Professional Development

Sunnybrook-Schulich Advanced Leadership Development Program 2009
Blending of Senior Leadership Team members, Program Directors and Medical Leaders, Sunnybrook Health Sciences partnered with York University's Schulich School of Business to develop and deliver an innovative advanced leadership program to which I was accepted and completed

Sunnybrook-Rotman-HPME Leadership Development Program 2008
Accepted in to the one of three cohorts and completed the leadership program Sunnybrook Health Sciences Centre developed in partnership with University of Toronto's Joseph L. Rotman School of Management, and the Department of Health Policy, Management and Evaluation

"Developing Program Resources for Teachers of International Medical Trainees", Centre for Faculty Development, Faculty of Medicine, University of Toronto 2008

"Beyond the Basics", Department of Family and Community Medicine, University of Toronto 2008

"Basics Program for New Faculty", Department of Family and Community Medicine, University of Toronto 2006

Other Professional Activities: General

National:

National Advisory Board Member, "oncologyeducation.ca" 2009-present

Local:

Member, Board of Directors, Hospice Toronto 2009-present

Advisory Board Member, PYNK (Young Women with Breast Cancer Program), Odette Cancer Centre, Sunnybrook Health Sciences Centre 2008-present

Mentor, Department of Family and Community Medicine Mentorship Network, University of Toronto 2007-present

Interviewer, CaRMS, Department of Family and Community Medicine, University of Toronto 2007, 2008

Innovations and Development in Teaching and Education

(indicates a major responsibility for design of course/experience)*

National:

*Lead, Palliative Care Section, "oncologyeducation.ca" 2009-present

Provincial:

*Chair, Abstract Committee, Ontario Provincial Conference Palliative and End of Life Care 2009, 2010 on

Local:

*Member, Palliative Care Educational Experience Task Force, Medical Oncology Training Program, Department of Medicine, University of Toronto 2010

*Co-Lead, Palliative Care Section, "DFCM Competency Based Curriculum", Family Medicine Residency Training Program, Department of Family and Community Medicine, University of Toronto (with Dr. Christa Jeney) 2009-present

*Member, Planning Committee, Institute: Innovations in Palliative Care, Centre for Advanced Studies in Professional Practice, Faculty of Nursing, University of Toronto 2008-2009

*Co-Chair, Annual "Science and Art of Pain and Symptom Management" Conference, University of Toronto (with Drs. Toni Barnes and Russell Goldman)	2008, 2009
*Chair, Working Group, Palliative Care Educational Experience, Core Curriculum, Centre for Interprofessional Education, University of Toronto	2007-present
*Member, Working Group, Interprofessional Educational Module in End-Of-Life/Advance Care Planning, Centre for Effective Practice, University of Toronto	2007
*Chair, Assessment Subcommittee, Palliative Medicine Residency Program, Department of Family and Community Medicine, University of Toronto	2006-present
*Member, Curriculum Subcommittee, Palliative Medicine Residency Program, Department of Family and Community Medicine, University of Toronto	2006-present
*Member, Planning Committee, Annual "Science and Art of Pain and Symptom Management" Conference, University of Toronto	2006, 2007
*Site Lead/Representative, Residency Program Committee, Palliative Medicine Residency Program, Department of Family and Community Medicine, University of Toronto	2005-present
*Lead, Palliative Care Consult Team Education Committee, Sunnybrook Health Sciences Centre	2005-2009

B. ACADEMIC HISTORY

1. *Research Statement:*

None

2. *Research Funding and Awards:*

None

3. *Patents Awarded:*

None

C. PUBLICATIONS

1. *Five Leading Publications/Scholarly Products:*

- A. Tamber A, Farhadian M and Myers J. Management of treatment-related intermittent partial small bowel obstruction: The use of octreotide. *J of Pain and Symptom Manage* 2010 Apr;39(4):e1-3. **(PA)**
- B. Myers J, Chan V, Jarvis V and Walker-Dilks C. Intraspinal techniques for pain management in cancer patients: A systematic review. *Support Care Cancer* 2010;18:137-49. **(PA)**
- C. "Interventional Cancer Pain Management: An Opportunity for Interprofessional Care", MD Anderson Cancer Centre, University of Texas, Houston, Texas – February 20, 2008
- D. "Case Based Session – Palliative Care"; Chair of Centre for IPE Working Group tasked with developing curriculum; formally integrated as an element of the Fall 2010 University of Toronto Health Sciences and Social Work Faculties IPE Core Curriculum
- E. "Pain Management for the Medical and Hematological Oncologist", "Management of Dyspnea/Breathlessness for the Medical and Hematological Oncologist".
"Anorexia/Cachexia, Fatigue, Depression and Advanced Pain Management for the Medical and Hematological Oncologist"
web-based learning modules: for members of oncologyeducation.ca April, 2009

2. *Peer Reviewed Publications – Journal Articles:*

- I. Myers J. Response to "Spinal analgesia: where is the evidence?" *Supp Care Cancer* (accepted for publication July 2010) **(PA)**
- II. Clement M, Bandukwala S, Burman D, Bryson J, Seccareccia D, Banerjee S, Myers J, Rodin G, Dudgeon D, Zimmermann C. Interconversion of three measures of performance status: An empirical analysis. *Eur J of Cancer* (accepted June 2010 for publication) **(COLL)**
- III. Chakraborty A, Selby D, Gardiner K, Myers J, Moravan V, Wright FC. Malignant Bowel Obstruction: Natural History of a Heterogeneous Patient Population Followed Prospectively Over Two Years. *J of Pain Symptom Manage* (accepted June 2010 for publication) **(CO-PA)**
- IV. Watanabe S, Nikolaichuk C, Beaumont C, Johnson L, Myers J, Strasser F. A multi-centre validation study of two numerical versions of the Edmonton Symptom Assessment System in palliative care patients. *J of Pain and Symptom Manage* (accepted for publication April 2010) **(COLL)**

- V. Tamber A, Farhadian M and Myers J. Management of treatment-related intermittent partial small bowel obstruction: The use of octreotide. *J of Pain and Symptom Manage* 2010 Apr;39(4):e1-3. *(PA)*
- VI. Myers J, Chan V, Jarvis V and Walker-Dilks C. Intraspinal techniques for pain management in cancer patients: A systematic review. *Support Care Cancer* 2010;18:137-49. *(PA)*
- VII. Gardiner K, Harris K, Lilien T, Selby D and Myers J. Evaluating correlation and inter-rater reliability for four performance scales in the palliative care setting. *J of Pain and Symptom Manage* 2010 Feb;39(2):250-8. *(PA)*
- VIII. Selby D, Cascella A, Gardiner K, Do R, Moravan V, Myers J and Chow E. A single set of numerical cutpoints to define moderate and severe symptoms for the Edmonton Symptom Assessment System. *J Pain and Symptom Manage* 2010 Feb;39(2):241-9. *(CO-PA)*
- IX. Myers J, Chan V, Jarvis V, Walker-Dilks C and the Palliative Care Clinical Program. Intraspinal Techniques for Pain Management in Cancer Patients: Guideline Recommendations. Program in Evidence-Based Care (PEBC), Cancer Care Ontario (CCO); May 5, 2009 *(PA)*
- X. Desa V, Danjoux C, Matyas Y, Fitch M, Husain A, Myers J and Barnes E. An interdisciplinary and collaborative initiative in palliative care research. *Journal of Pain Research* 2009;2:1-3. *(CO-PA)*
- XI. Napolskikh J, Selby D, Bennett M, Chow E, Harris K, Sinclair E and Myers J. Demographic profile and utilization statistics of a Canadian inpatient palliative care unit within a tertiary care setting. *Current Oncology* 2009;16(1):47-52. *(PA)*
- XII. Myers J and Shetty N. Going beyond efficacy: Strategies for cancer pain management. *Current Oncology* 2008;15(1):41-49. *(PA)*
- XIII. Gerretson P and Myers J. The Physician: A secure base. *Journal of Clinical Oncology* 2008;26(32):5294-5296. *(PA)*
- XIV. Goh P, Harris K, Napolskikh J, Chow E, Sinclair E, Emmenegger U, Wynnychuk L, Myers J, Danjoux C and Ko J. New multidisciplinary prostate bone metastases clinic: First of its kind in Canada. *Current Oncology* 2007;14(1):9-12. *(CO-PA)*
- XV. Harris K, Pugash R, David E, Yee A, Sinclair E, Myers J and Chow E. Percutaneous cementoplasty of the lytic metastasis in left acetabulum. *Current Oncology* 2007;14(1):4-8. *(COLL)*

3. *Non Peer Reviewed Publications: Journal Article*

- I. Carlo DeAngelis and Jeff Myers. Individualizing a cancer pain management strategy: Beyond the basics. *Hotspot (RRRP Sunnybrook)* Spring 2009 *(CO-PA)*

4. Submitted Publications – Book Chapters:

- I. "Dyspnea/Breathlessness" – Oxford University Press Handbook of Palliative Care, 2nd Edition (in press), 2010
- II. "Neurodegenerative Diseases" – Palliative Care: Core Skills and Clinical Competencies, 2nd Edition (in press), 2010

D. PRESENTATIONS AND SPECIAL LECTURES

International Scientific Presentations – Abstracts:

- I. Myers J and Blacker S. De novo development of an Interprofessional HPC Case- Based Simulation. (accepted for presentation) Educational Exchange - AAPHM/HPNA Annual Assembly, February 16, 2011, Vancouver, British Columbia
- II. Myers J and Gofeld M. Interventional Cancer Pain Management: A Unique Collaborative Opportunity for the field of Palliative Care. (accepted for poster presentation) 18th International Congress on Palliative Care, October 5, 2010, Montreal, Quebec
- III. Myers J. Palliative Care and Cancer Survivorship: A Unique Partnership. (accepted for poster presentation) 18th International Congress on Palliative Care, October 5, 2010, Montreal, Quebec
- IV. Fitch M, DasGupta T, Leahey A, Court A, Myers J. Oncology Nursing Role for Routine Screening for Distress (6th Vital Sign) (poster) International Conference of the Multinational Association of Supportive Care, June 23, 2010, Vancouver, British Columbia
- V. Gardiner K, Kirou-Mauro A, Selby D and Myers J. An analysis of accrual rates for research studies involving patients whose care is palliative in nature. (poster) 14th Annual Conference of the International Society for Quality of Life Research, October 10, 2007, Toronto, Ontario

International Scientific Presentations - Invited Lectures and Presentations:

- I. "Interventional Cancer Pain Management: An Opportunity Feb 2008 for Interprofessional Care",
M.D. Anderson Cancer Centre
University of Texas, Houston, Texas (Invited Professorship)

Hosted jointly by Departments of Anesthesia/Pain Medicine and Palliative Care; Partnered with Dr. Michael Gofeld (anesthesiology, Sunnybrook Health Sciences Centre) to deliver two Grand Rounds presentations (one for each Department) entitled "Interventional Cancer Pain Management Program: A Model for Interprofessional Collaboration". Over 250 attendees were present for the Department of Anesthesia/Pain Medicine lecture and over 90 attendees were present for the Department of Palliative Care lecture (all clinical, academic and administrative staff were represented). Between the presentations, our time was spent meeting with the leadership of each Department and we explored in greater detail the critical success factors in establishing and maintaining our palliative care/anesthesia collaboration

II. "Role of Palliative Care", 15th Annual Conference of International Alliance of Amyotrophic Lateral Sclerosis/ Motor Neuron Disease Associations (Key Note) Nov 2007
Invited as one of primary plenary speakers and asked to present on the possible role for the field of palliative care in the overall care for these patients with neurodegenerative disorders

III. "Hospice and Palliative Care for the AIDS Patient", Pacific AIDS Education and Training Center, University of Southern California (Workshop) Feb 2004
Team member; invited to Belgrade Serbia; participated in the organization and delivery of a seven day United Nation's sponsored educational conference for Serbian physicians; my role was to develop and deliver a workshop addressing the hospice palliative care needs of patient with HIV/AIDS

National Scientific Presentations – Original Research:

I. "Assessing Palliative Care Educational Needs for Oncology Professionals at the Odette Cancer Center", Advanced Learning in Palliative Medicine, Canadian Society of Palliative Care Physicians Annual Conference May 2010
(presented by Dr. Cindy So; primary supervision of trainee)

National Scientific Presentations - Invited Lectures and Presentations:

I. "Difficult Cases", Advanced Learning in Palliative Medicine, Canadian Society of Palliative Care Physicians Annual Conference May 2008

II. "Interventional Approach to Visceral Cancer Pain in the PalConsiderations", Canadian Pain Society Annual Conference May 2007
 (with Drs. Michael Gofeld and Debbie Selby)

National Activities – Media Appearances:

I. "The right support at the right time: The Patient and Family June 2010 Support Program at Sunnybrook's Odette Cancer Centre offers a unified approach to meeting the needs of individuals and their families", (newspaper article), Hospital News

II. Featured in "Sunnybrook - The Series" (television) 2009-present
Chosen along with three other health care professionals and filmed for the six part documentary series to be aired on CBC in fall 2010

Provincial Scientific Presentations - Invited Lectures and Presentations:

I. "Interprofessional Team Function: A Leadership Opportunity" Southlake Regional Health Centre, Newmarket, Ontario May 2010

II. "Leadership of Interprofessional Teams", Ontario Provincial Conference on Palliative and End of Life Care Apr 2010

- | | | |
|-------|---|----------|
| III. | "Update on the Management of Breathlessness", Ontario Provincial Conference on Palliative and End of Life Care | Apr 2010 |
| IV. | "Interprofessional Practice Protocols: End of Life Care/ Advance Care Planning", Kawartha North Family Health Team (with Drs. Jamie Meuser and Karen Swirsky) | May 2009 |
| V. | "Responding to Desire to Die Statements: Recommendations for Health Care Professionals", Ontario Provincial Conference on Palliative and End of Life Care | Apr 2009 |
| VI. | "PPCIP: CCO Perspective", Ontario's Annual Provincial Thoracic Cancer Conference | Apr 2009 |
| VII. | "Interventional Approaches to Cancer Pain Management", Palliative Care and Anesthesia Programs, Waterloo-Wellington LHIN, Ontario (with Dr. Michael Gofeld) | Mar 2008 |
| VIII. | "Intraspinal Pain Management: What the home care nurse needs to know", presentation to Central CCAC home palliative care team, North York, Ontario | Dec 2007 |
| IX. | "Interventional Approaches to Cancer Pain Management", Ontario Provincial Conference on Palliative and End of Life Care (with Dr. Debbie Selby) | Apr 2007 |
| X. | "Pain Management 101", Ontario Provincial Conference on Palliative and End of Life Care (with Drs. Giovanna Sirianni and Anita Chakraborty) | Apr 2007 |
| XI. | "Stopping Dialysis: What to expect", Ontario Provincial Conference on Palliative and End of Life Care (with Dr. Lesia Wynnychuk) | Apr 2006 |

Regional Scientific Presentations - Invited Lectures and Presentations:

- | | | |
|----|---|----------|
| I. | "Prognostication in Non-Cancer Patients", Toronto Central Palliative Care Network | Jun 2010 |
|----|---|----------|

Local Scientific Presentations - Invited Lectures and Presentations:

- | | | |
|------|---|----------|
| I. | "Improving Symptom Management at the Odette Cancer Centre", Oncology Grand Rounds, Odette Cancer Centre Sunnybrook Health Sciences Centre | Jun 2010 |
| II. | "Living Through Cancer", Sunnybrook Speaker Series, Sunnybrook Health Sciences Centre | Apr 2010 |
| III. | "Patients in Crisis: Odette Cancer Centre's Crisis | Mar 2010 |

- IV. "Palliative Sedation and Physician Assisted Suicide: Is there a difference?", Family Medicine Grand Rounds, Sunnybrook Health Sciences Centre Dec 2009
- V. "Prognostication", The Science and Art of Pain and Symptom Management Conference, University of Toronto Nov 2009
(with Dr. Giovanna Sirianni)
- VI. "Methadone and Ketamine", Clinical Pharmacology Grand Rounds, Department of Medicine, Sunnybrook Health Sciences Centre Sep 2009
- VII. "Common symptoms for patient's with advanced disease: Tools to support assessment and management", Institute: Innovations in Palliative Care, Faculty of Nursing, University of Toronto Jun 2009
- VIII. "Palliative Care for the ER Physician", Continuing Education and Professional Development Rounds, Department of Emergency Services, Sunnybrook Health Sciences Centre (with Dr. Jamie Meuser) Jun 2009
- IX. "The Role of Palliative Care in Symptom Management", RRRP Grand Rounds, Odette Cancer Centre, Sunnybrook Health Sciences Centre (with Dr. Anita Chakraborty) Feb 2009
- X. "Dying and Death: Psychosocial, Physical and Spiritual Issues for Health Care Providers", Panelist, University of Toronto Core IPE Curriculum session Feb 2010
- XI. "Advance Care Planning", Family Medicine Grand Rounds, Toronto East General Hospital (with Dr. Karen Swirsky) Nov 2008
- XII. "Is there Nothing More You Can Do for My Pain? An Interventional Approach to Cancer Pain Management" The Science and Art of Pain and Symptom Management Conference, University of Toronto Nov 2008
- XIII. "Palliative Care: The Sunnybrook Team and New Analgesics" Clinical Pharmacology Grand Rounds, Department of Medicine Sunnybrook Health Sciences Centre Nov 2008
- XIV. "Strategies to improve the quality of living", ALS Conference, Sunnybrook Health Sciences Centre Jun 2008
- XV. "Palliative Care: Identifying the Myths and Offering Supportive Care Strategies", Volunteer Training Program, Wellspring Cancer Support Centre (with Ms. Cathy Edmison) Feb 2008

XVI.	"Beyond the Usual: Exploring New Analgesics", Palliative Care Awareness Day Conference, Sunnybrook Health Sciences Centre	Feb 2008
XVII.	"Provincial Palliative Care Integration Project", Oncology Grand Rounds, Odette Cancer Centre, Sunnybrook Health Sciences Centre	Oct 2007
XVIII.	"Pain Management: Common and Complex Hematological Cases", Hematology Grand Rounds, Sunnybrook Health Sciences Centre	Oct 2006
XIX.	"Update on Palliative Care", Family Medicine Grand Rounds, Sunnybrook Health Sciences Centre	Jan 2006
XX.	"Palliative Medicine for the Primary Care Team Member", Family Medicine Grand Rounds, Sunnybrook Health Sciences Centre	Oct 2005

E. TEACHING AND DESIGN

Multi-level Education – Extra-Departmental:

Teaching – Other: Webinars

"Pain Management for the Medical and Hematological Oncologist", "Management of Dyspnea/Breathlessness for the Medical and Hematological Oncologist" and "Anorexia/Cachexia, Fatigue, Depression and Advanced Pain Management for the Medical and Hematological Oncologist", made available to members of oncologyeducation.ca in April, 2009

Undergraduate - Departmental:

Formal Teaching - Seminars/Lectures (Pre-Clerkship):

"Pain Management" Whole Class Lecture, Foundations of Medical Practice, Faculty of Medicine, University of Toronto	Oct 2007 Oct 2008 Aug 2009
--	----------------------------------

Formal Teaching - Seminars/Lectures (Clerkship):

"Palliative Care", Seminar Facilitator, Family Medicine Clerkship Rotation, Faculty of Medicine, University of Toronto	Mar 2008
--	----------

Formal Teaching – Small Group/PBL (Pre-Clerkship):

PBL Tutor; Foundations of Medical Practice, Faculty of Medicine, University of Toronto	Oct 2009
"Professional Relationship", Small Group Facilitator, Passport Clerkship Course, Faculty of Medicine, University of Toronto	Sep 2008 to
"Wit Film Session", Small Group Facilitator, Ethics and Professionalism Course, Faculty of Medicine, University of Toronto	Apr 2008

Other Teaching Activities:

DOCH-2 Course, Primary Supervisor, Faculty of Medicine,
University of Toronto
(multiple palliative care-related topics)

2005-6
2006-7
2009-10

Clinical Supervision:

Students completing a clinical elective in palliative care:
Ms. Jennifer Boyd, Ms. Danielle Kain,

2008-9

Undergraduate – Extra-Departmental:

Mentorship:

Primary Supervisor, University of Waterloo Co-Op Student
Work Term Placement, Student Role: PCCT Research Assistant

2008, 2009

(students work in the role of our teams Research Assistant, for her with our team, former student Ms. Kate Gardiner was honored with the 2008 UW Co-Op Student of the Year, 2008 Provincial Education at Work Ontario Award and 2008 National Canadian Association for Co-operative Education Award)

Postgraduate:

Teaching – Seminars/Lectures:

“Palliative Care”; Seminar Facilitator, Family Medicine
Residency Training Program, Department of Family and
Community Medicine, University of Toronto

Apr 2006

Teaching – Small Group/PBL:

“Intro to Palliative Care”, Small Group Facilitator, Medical
Oncology Training Program, Core Seminar Series,
Division of Medical Oncology, University of Toronto

Jul 2009
Jul 2010

“Advanced Pain and Symptom Management”, Small Group
Facilitator, Medical Oncology Training Program, Core Seminar
Series, Division of Medical Oncology, University of Toronto

Mar 2008
Mar 2009

“Methadone/Ketamine”, “Neurodegenerative Diseases”,
“End-Stage Renal Disease”, “Interventional Anesthesia”,
“Interventional Radiologic Procedures” and “Education Principles”, Small Group
Facilitator, Palliative Medicine Residency Training Program, Core Seminar Series
Division of Palliative Care, University of Toronto

2007-present

Teaching – Formal Teaching Rounds:

“Advanced Pain Management”, Seminar Facilitator,
Core Lecture Series, Department of Medicine,
Sunnybrook Health Sciences Centre

Jan 2007
Jun 2008

<p>"Advanced Symptom Management", Seminar Facilitator, Core Lecture Series, Department of Medicine, Sunnybrook Health Sciences Centre</p>	<p>Aug 2006 Nov 2006 Jan 2009</p>
---	---

<p>"Discussing Code Status", Seminar Facilitator, Core Lecture Series, Department of Medicine, Sunnybrook Health Sciences Centre</p>	<p>Jun 2006</p>
