

(Chemist & Microbiologist)

- It is an honor for me to introduce this C.V. with my personal information to apply to work in your group as an employee contributing in the development of this corporation.

Personal Details

Name

Nationality

Egyptian

Gender

Male

E mail

Date of birth

9 September 1989

Address

, Cairo, Egypt.

Mobile

Education

- Bachelor degree of Science, department of Microbiology & Biochemistry in 2011 , Helwan University (good grade).
- Premaster degree in microbiology from Helwan Uni. 2014.

Marital Status

married

Military Service

Completed

Objective

Seeking a rewarding job opportunity with a multinational company that has a strong commitment to operations in the region and a genuine growth strategy that can allow me to employ and develop my skills and demonstrate my potential as a real asset to the company to further develop my career.

Language

Arabic
English

Mother tongue
Very good

Career History

- Q.C. microbiologist & chemist in Misr food additives (MIFAD) from April 2014 till now.
- I had worked as QC Microbiologist at EIMC United pharmaceutical co. from April 2013 till April 2014.
- I have worked as a medical representative for EL- Debeiky pharm. from July 2011 to January 2012.

Working experience:

- **Working as Microbiology specialist at Quality control department of EIMC united pharm. and through working in microbiology laboratory, I got Optimum knowledge about the following :**
 - Preparation of Media , Rinsing fluids & bactericidal reagents
 - Gowning qualified at EIMC united sterility area.
 - Media pouring techniques
 - Preparation , incubation & Monitoring environmental plates for sterile areas
 - Gram stain and further identifications (BBL Crystal)
 - Microbial limit test for finished products ((Non-Sterile)) and raw materials
 - Standardization for control inoculum
 - Growth promotion test for media
 - LAL test for WFI & Bulk & water analysis
 - Label claim assay test
 - Validation of expiry date for solid and liquid media
 - Validation of efficacy and expiry date for disinfectant and sporicidals
 - Biological indicators Verification of count
 - Biological indicators challenge test
 - Validation of efficacy of pass through box
 - Sterility area qualification For entering and sampling process
 - Routine analysis for water sampling points PW & WFI
 - Sampling techniques
 - Machines and Equipment: Autoclave (Fedgari) , Oven (Mommert) , BBL crystal , LAF , vortex , BD phoenix, Hot plate , PH , Balance .

- **Working as chemist & microbiologist at Quality control department of MIFAD : 1- Working in chemistry**

Lab., I got Optimum knowledge about the following:

- Moisture analysis.
- Ash analysis test.
- Colors analysis for both natural & synthetic.
- Viscosity preparation and measuring.
- Determination of acid value & specific gravity.
- Total solid determination.
- Machines and Equipment: oven , muffle oven , viscometer (Brookfield) , Hot plate stirrer (Stuart) , PH , Balance , refract meter Brix , spectrophotometer .

2- Working in microbiology lab., I got Optimum knowledge about the following :

- Responsible for Microbiological analysis of raw materials and finished products.
- Preparation, inoculation and culturing media.
- Enumeration of bacteriological & fungal count.
- Responsible for the on-scheduled performance and documentation of all analysis assigned.
- Report the conformity test report to technical manager.

Training

- Have training in the National Center of Research for 2 Weeks

- In the biochemistry department & how to use instruments

- Have training in the National Nutrition Institute for 2 Weeks Training on:

- Pathogens present in foods
- Isolation of pathogen & recognize it
- Have got a course in GLP at EIMC United Pharm.

MIFAD training

- "TQM workshop"
- Passed Proficiency test "PT" for moisture & Ash analysis.

Skills

- Microsoft office
- Presentation skills
- Communication skills
- Searching
- Ability to learn quickly
- Working under stress

Hobbies

- Sport like Karate, Swimming & Soccer
- Reading the scientific Magazines and books
- Holds a Karate Republic Competition in 2006
