Education

| | |
|--|---|
| University of Kentucky (Lexington, KY) Pharmacy/College of Public Health, GPA: 3.95 | Doctor of Pharmacy/Master of Public Health College of Expected Graduation: 05/2015 |
| University of Kentucky (Lexington, KY) College of Arts and Sciences, GPA: 4.0 | Bachelor of Science in Biology <i>Summa Cum Laude</i> 08/2009-05/2011 |
| University of the Incarnate Word (San Antonio, TX) Study Abroad Program, GPA: 3.9 | Biology Curriculum 08/2008-05/2009 |
| Jinan University (Guangzhou, China) College of Pharmacy, GPA: 3.9 | Pharmacy Curriculum 09/2006-06/2008 |

Licensure, Certificate and Training

| | |
|---|-----------------|
| Kentucky Board of Pharmacy-Certified Intern | 08/2011-Present |
| Certified Immunization provider | 09/2013-Present |
| ASHP Aseptic Compounding Training | 05/2012-Present |
| American Heart Association-Basic Cardiac Life Support | 05/2011-Present |
| Kentucky Board of Pharmacy-Certified Pharmacy Technician | 03/2011-07/2011 |
| University of the Incarnate Word-International Student Exchange Program | 08/2008-05/2009 |

Working Experience

| | |
|--|-----------------|
| Kentucky Clinic Refill Authorization Center (Lexington, KY) Supervisor: Kristina Blanton, CPhT, RCAT, Specialty Pharmacy Tech, Sr. Pharmacy Intern <ul style="list-style-type: none">Processed ~5 prescription refill authorizations per hour.Thoroughly reviewed patients' medical records and used clinical knowledge to determine the authorization status of each refill request. | 07/2013-07/2014 |
| UK HealthCare Pharmacy Intern Program (Lexington, KY) Preceptor: Tracy Macaulay, PharmD, AACC, BCPS Pharmacy Intern <ul style="list-style-type: none">Independently performed medication reconciliation on newly admitted patients at Chandler Medical Center and Good Samaritan Hospital.Followed patients' therapeutic regimens and made dosing recommendations.Provided warfarin counseling.Closely worked with pharmacists at central pharmacy and de-centralized pharmacies including OR pharmacy, Inpatient Oncology pharmacy and Pediatric pharmacy.Shadowed pharmacists at various inpatient services, Kentucky AIDS Drug Assistance Program (KADAP) and Transplant Clinic.Rounded with medical teams of Heme/Onc, Peds Cardiology, Critical Care Cardiology and CT Surgery services. | 05/2012-Present |

University of Kentucky Chandler Hospital Inpatient Pharmacy (Lexington, KY)

05/2011-05/2012

Supervisor: Stacia Street, PharmD

Senior Certified Pharmacy Technician

- Prepared code trays and OR pharmacy tray-sets.
- Performed sterile and non-sterile compounding.
- Answered phone calls and solved medication dispensing issues when staffing at central/de-centralized pharmacies.
- Delivered medications to nurse stations and performed outdates and monthly inventories.

William T. Young Library Circulation Desk (Lexington, KY)

01/2011-05/2012

Supervisor: Jen Martin, Head of Circulation

Student Assistant

- Applied good communication skills to help patrons with checking in/out books at circulation desk or over-the-phone.
- Performed sorting, shelving, shifting of books.
- Trained new employees on the Library Congress Catalog System.

Advanced Pharmacy Practice Experience (APPE)

6 weeks per rotation

Acute Care Inpatient-Peking University 3rd Hospital (Beijing, China)

05/05/2014-06/06/2014

Preceptor: Chao Zhang, PhD, Yingqiu Ying, Master of Pharmacy Practice

Assignments

- Provided medication reconciliation, high-dose cyclophosphamide and high-dose steroid regimen counseling to nephrology ward patients.
- Conducted weekly medication counseling for the nephrology ward patients (24 patients) and 10 pulmonary ward patients.
- Educated medical staff on vancomycin dosing and monitoring of hemodialysis patients.
- Conducted retrospective antibiotics order assessments for 8 pulmonary ward patients.
- Provided medication consultation to ~10 patients at outpatient clinic.

Presentation

- General Introduction of Pharmacy Practice/Education in the U.S. to colleagues at Peking Univ. 3rd Hospital.
- KDIGO Anemia summary comparing with Expert Consensus of Chinese guidelines
- Interpretation and understanding of COPD GOLD guideline
- MRSA treatment: vancomycin, teicoplanin and linezolid
- Final Presentation: Patient Cases and End-of-Rotation Summary

Journal Club

- *Pharmacokinetics and dosage adjustment in patients with renal dysfunction* (Roger K, Eur J Clin Pharmacol 2009, 65:757-773)

Acute Care Inpatient-Solid Organ Transplant (UK Healthcare, Lexington, KY)

06/23/2014-08/01/2014

Preceptor: Tim Clifford, PharmD, BCPS

Assignments

- Rounded with Kidney/Liver Transplant teams six days a week.
- Conducted medication reconciliation and completed all new transplant patient discharge counseling.
- Attended level rounds and completed immunosuppression notes on daily basis.
- Provided medication information to peers in the team and on other services.

Acute Care Inpatient-Internal Medicine (UK Healthcare, Lexington, KY)

08/04/2014-09/12/2014

Preceptors: George Davis, PharmD, BCPS, Scott Kincaid, PharmD, UK HealthCare Internal Medicine Coordinator, Pijut Kyle, PharmD

Assignments

- Independently rounded with internal medicine teams 6 days a week for 5 weeks.
- Collected home medications for all new patients on the team, and reconciled medications by contacting physicians.
- Assisted team to obtain specialty medication such as eltombopag and atovaquone-proguanil (Malarone®).
- Performed at least 8 warfarin counseling and 2 enoxaparin patient education.
- Completed pharmacokinetic notes (i.e., vancomycin, tobramycin, amikacin, digoxin).
- Identified one potentially serious medication error and took appropriate action to prevent it from reaching to patient.

Presentation

- PPI Use of Stress Ulcer Prophylaxis in Non-ICU General Medicine Patients
- Immune Thrombocytopenia (ITP): Patient's Case and Pharmacist Intervention

Journal Club

- *Atypical Antipsychotic Drugs and the Risk for Acute Kidney Injury and Other Adverse Outcomes in Older Adults: A Population-Based Cohort Study* (Hwang YJ, Ann Intern Med. 2014;161:242- 248).

Advanced Community Practice-CVS (Lexington, KY)

09/18/2014-10/24/2014

Preceptor: Keith Stinson, PharmD

- Provided immunization (i.e., influenza, Shingles, Pneumococcal) on a daily basis throughout the entire rotation. Gave more than 50 shots in a flu clinic at local company.
- Assisted PharmD in daily tasks including but not limited to transferring in/out at least 150 scripts throughout the rotation, performing inventory on controlled substances once a week, filling DEA 222 form under supervision of preceptor on a regular basis, and answering drug-therapy questions from patients and other healthcare providers.
- Performed at least 15 non-sterile compounding (i.e., magic mouth wash)

Acute Care Inpatient-Critical Care Pulmonary (UK Healthcare, Lexington, KY)

11/03/2014-12/12/2015

Preceptors: Melissa Thompson-Bastin, PharmD, BCPS, Alexander Flannary, PharmD, BCPS **Assignments**

- Rounded with Pulmonary ICU teams 6 days a week for 5 weeks.
- Assisted PharmD with 3 codes responses and 2 intubations. Independently assisted physicians with intubation of one patient.
- Actively participated in the home medication collection and reconciliation processes for all patients on the team.
- Addressed medication therapy problems with physicians, nursing staff and laboratory during rounds and post-rounds.
- Closely followed up pharmacokinetic dosing (i.e., vancomycin, tobramycin, amikacin, digoxin) in renally impaired patients requiring on/off of hemodialysis or CVVH.

Presentation

- Management of New-onset Atrial fibrillation in ICU Patients with Sepsis/Septic Shock

Journal Club

- *Lower versus higher hemoglobin threshold for transfusion in septic shock* (Holst, LB, NEJM. 2014 Oct 9;371(15):1381-91).

Advanced Ambulatory Care-White House Clinic (Mckee, KY)

12/15/2015-01/23/2015

To be completed

Advanced Hospital Practice- UK Children's Hospital (UK Healthcare, Lexington, KY) 02/02/2015-03/13/2015

To be completed

Introductory Pharmacy Practice Experience (IPPE)

4 weeks per rotation

IPPE II- St. Joseph Hospital Inpatient Pharmacy (Lexington, KY)

06/03/2013-06/27/2013

Preceptor: Chip Hollon, PharmD

Assignments

- Performed daily sterile/non-sterile compounding.
- Shadowed staff pharmacists and clinical pharmacists in neurology, cardiology, internal medicine and oncology.
- Provided at least 10 patient medication reconciliations.
- Performed pharmacokinetic calculations and completed vancomycin and warfarin PK notes.
- Attended three infectious disease seminars.

IPPE I-Rite Aid Pharmacy (South Broadway, Lexington, KY)

07/23/2012-8/16/2012

Preceptor: Angel Daniels, PharmD

Assignments

- Provided more than five patient counseling on OTC medications.
- Took prescriptions off phone/voice message.
- Performed prescriptions entry, distribution and final check.

Special Projects

Master of Public Health Practicum

12/2014-02/2015

To be completed

UK Residency Research Project

02/2014-Present

Preceptor: Rickey Evans, PharmD, Timothy Clifford, PharmD, UK Transplant coordinator

Research assistant/contributing author-Assisted Solid Organ Transplant pharmacy resident with data collection. Performed data analysis using Excel and SPSS and draft review.

Department of Pharmacy Practice and Science Independent Study

01/2013-05/2013

Preceptor: Jimmi Hatton Kolpek, BS Pharm, PharmD, FCCP, FCCM

Intern- Conducted independent evidence-based literature reviews on medication regimens of spinal cord injury complications including UTI, pseudomonas, diabetes, deep vein thrombosis and heterotopic ossification. Performed extensive drug interaction research and provided drug interaction table for drugs used in spinal cord injury patients to treat complications, pain and autonomic symptoms.

Department of Pharmaceutical Sciences Summer Research Program

05/2010-01/2011

Principle Investigator: Steven Van Lanen, PhD

Intern- Participated in the biosynthesis of C-methyltransferases that is functioning in the production of Capuramycin in *Streptomyces griseus*. Successfully synthesized the enzyme from respective gene clusters via biochemistry technologies such as PCR, DNA electrophoresis, DNA sequencing, etc. Familiar with subclone, vivo and vitro cell growth techniques.

Poster Presentations

Title: *The Efficacy of Once Weekly Dapsone Dosing for PCP Prophylaxis Post Kidney Transplantation*

Event: ASHP Clinical Meeting Midyear in Anaheim, CA (12/2014)

Audience: ASHP midyear Attendees including practicing pharmacists, residents, technicians and students

Title: *The Efficacy of Once Weekly Dapsone Dosing for PCP Prophylaxis Post-Transplantation* Event: Rho Chi Honor Society Research Day, UK College of Pharmacy, Lexington, KY (04/2014) Audience: UK College of Pharmacy faculties, PharmD students, PhD students, UK HealthCare residents

Title: *Assessing Polypharmacy Risks in Patients with Spinal Cord Injury*

Event: The 5th Annual KY Appalachian Rural Rehabilitation Network Conference, Richmond, KY (09/2013) Audience: Attendees of KARRN

Title: *Biosynthesis of Cap T and DRF2B, potential C- methyltransferases involved in the conversion of capuramycin analogues*

Event: Department of Pharmaceutical Sciences Summer Research Poster Day, Lexington, KY (08/2011) Audience: University of Kentucky College of Pharmacy Department of Pharmaceutical Science faculty members and students

Professional Involvement and Development

| | |
|---|-----------------|
| UK COP Class 2015 Academic Affair | 08/2013-05/2014 |
| Liaison- Regularly collected feedback from students on academic affairs and reported to faculty and administrative members of the College. Provided suggestion for improvements. | |
| KPhA UK Chapter Mentor-Mentee Program (Lexington, KY) | 06/2013-Present |
| Mentor- Provided mentorship to a fellow pharmacy student. | |
| Rho Chi Honor Society University of Kentucky Chapter | 03/2013-Present |
| Committee Member- Volunteered in Dean's List Luncheon and Pharmacy Plus Lectures. Served as committee member in Faculty Research Reception. Worked with colleagues to organize Research Day. | |
| Student National Pharmacist Association (SNPhA) | 08/2011-Present |
| Committee Chair/Member- Served as committee chair in organizing events for World's Polio Day to raise awareness. Provided diabetes education and blood glucose screening to local communities. | |
| Christian Pharmacist Fellowship International (CPFI) | 08/2011-Present |
| Committee chair/Member- Packaged food for the underserved Lexington local populations. Chaired/co-chaired in various community outreach events including health screenings and flu clinics. | |

Professional Meetings

| | |
|--|---------|
| ASHP's Midyear Clinical Meeting 2014 (Anaheim, CA) | 12/2014 |
| APhA Annual Meeting 2014 (Orlando, FL) | 03/2014 |
| KPhA Legislative Day Conference (Lexington, KY) | 11/2013 |
| 5th Annual KY Appalachian Rural Rehabilitation Network (KARRN) Conference (Richmond, KY) | 09/2013 |
| KPhA Annual Meeting 2013 (Lexington, KY) | 06/2013 |
| KPhA Legislative Day Conference (Lexington, KY) | 11/2012 |

Community Service

| | |
|---|-----------------|
| UK COP Salvation Army Clinic (Lexington, KY) | 03/2014-Present |
| Volunteer- Participated in dispensing medications, counseling patients, and medication reconciliation. Provided drug therapy recommendations, comprehensive medication reviews, and MTM-type services to underserved population. Collaborated with multidisciplinary team. | |
| SNPhA/CPFI Blood Glucose Screening and Diabetes Education (Lexington, KY) | 11/2013 |
| Participant- Performed blood glucose and blood pressure screenings at First Baptist Bracktown Church. Explained the results to patients and provided diabetic education. | |

| | |
|---|------------------|
| Flu Fighter's Vaccine Clinic (Lexington, KY) | 10/2013 |
| Participant -Provided flu immunization screening and vaccination to more than 20 healthcare workers at Good Samaritan Hospital in Lexington, KY. | |
| Be the Match (Lexington, KY) | 04/2013 |
| Volunteer -Actively participated in "Be the Match" Drive. Completed an one-hour debrief meeting about the registry process and another hour spent closely working with colleagues to recruit donors and guide them through the registry. More than 500 new donors were added to "Be the Match" database. | |
| Hearts for Kentucky Hazard Outreach Event (Hazard, KY) | 03/2013 |
| Participant -Performed blood pressure, blood glucose and blood cholesterol screenings to more than 350 residents of Hazard in the three-day event. Provided recommendations or medical referral based on the screening values. Conducted healthy life-style counseling. | |
| Student Society of Health-System Pharmacy Blood Pressure Screening (Lexington, KY) | 10/2012 |
| Participant -Participated in the celebration of American Pharmacists Month by providing blood pressure screenings at Chandler Hospital and at Kentucky Clinic Pharmacy. | |
| Multi-Cultural Health Fair (Lexington, KY) | 08/2012 |
| Participant - Worked closely with volunteering pharmacists by providing bilingual (English and Chinese) interview of patients on their medication regimens, provided counseling on medications compliance, side effects, and interactions with other medications. | |
| God's Pantry (Lexington, KY) | 04/2012 |
| Volunteer -Involved in the food packaging for the underserved Lexington local populations | |
| DanceBlue (Lexington, KY) | 01/2012-03/2012 |
| UK College of Pharmacy Dancer - Participated in the DanceBlue event which raised a total of \$834,000 to support the University of Kentucky Pediatric Oncology Clinic. | |
| UK Chinese Student and Scholar Fellowship (Lexington, KY) | 08/2009-Present |
| Secretary/Coordinator -Actively involved in organizing and coordinating events aimed at connecting Chinese Students and Scholars. | |
| University of Kentucky Markey Cancer Center (Lexington, KY) | 08/2009-05/2010 |
| Volunteer - Assisted patients receiving chemotherapies with their needs during their chemo sessions. Performed various tasks for the nurses. | |
| Hawthorne Academy (San Antonio, TX) | 01/2009- 05/2009 |
| Tutor - Provided reading guidance to two elementary school students Creatively developed strategies to help the students focus on the books. | |
| St. Vincent De Paul Dining Hall (San Antonio, TX) | 01/2009- 05/2009 |
| Volunteer - Helped the dining hall to prepare and provide free food to the homeless people in the downtown San Antonio area. | |

Awards and Recognition

| | |
|--|-------------|
| University of Kentucky College of Pharmacy | |
| Rho Chi Honor Society Recognition | 03/2013 |
| College of Pharmacy Scholarship | 2011-2015 |
| W.D. Votteler Scholarship | 2011-2015 |
| Academic Excellence Scholarship | Spring 2013 |

| | |
|---|---------------------|
| Floyd H. Wright Trust Student Enhancement Scholarship | Fall 2012 |
| Medical Center Enhancement Scholarship | Fall 2012 |
| University of Kentucky College of Arts and Sciences | |
| <i>Summa Cum Laude</i> upon graduation | Spring 2011 |
| Biology Departmental Honors | Spring 2011 |
| Academic Excellence Scholarship | Fall 2010 |
| International Student Scholarship | Fall 2010/Fall 2011 |
| Collegiate Plate Scholarships | Summer 2010 |
| Jinan University | |
| President's Scholarship | 2006-2008 |
| Departmental Honored Student Scholarship | 2006-2008 |

Special Skills

Fluent in Mandarin Chinese

Competent in SPSS and Excel statistical analysis

Familiar with biochemistry technologies such as PCR, DNA electrophoresis, DNA sequencing, *vivo* and *vitro* cell growth.
