

URGENTLY REQUIRED

QUALIFIED AND EXPERIENCED MALE NURSE

A qualified and responsible Male Nurse is required for a senior person who has been enjoying good health and is recently diagnosed for initial stage of Cancer. This assignment may be for a short or for long period. Selected candidate will have to travel within Pakistan, to Dubai, UK and other countries with the patient. Persons having passport will be preferred.

The basic responsibilities of the selected candidate will be to help the patient in going to hospitals, airports, traveling on flights and other means of transport on wheel chair. He will also assist the patient while taking shower, going to washroom and in doing other daily routine work. The selected candidate will be given attractive remuneration, accommodation and transport facility for coming and going to patient's residence.

Interested candidates should urgently send their CVs with full details of past experience and references in complete confidence, to the following email address:
